These papers relate to a proposal received from the Chief Court that the subscription of the Mysore Chief Court Law Reports may be reduced from Rs.5 to Rs.3 per annum.

2. A similar proposal was made in 1908 for the reduction of the price to Rs.4 per annum. The Government considered that the present price, viz. Rs.5 was not unduly high.

E.

3. The Chief Court represents that unsold copies are taking much space in the Book Depot and that if the annual subscription were fixed at Rs.3, it is probable that the sales would greatly increase.

4. Both the Councillors agree to the proposal made by the Chief Court and the accompanying draft may be approved.

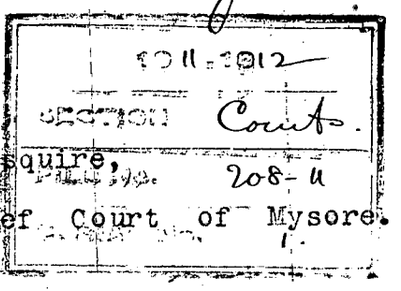
DIARY No. 1935



From,

V. A. Rajaratna Mudaliar Esquire,
Registrar of the Chief Court of Mysore.

To,

C. S. Balasundaram Iyer Esquire,
Secretary to the Govt: of Mysore,
General and Revenue Departments.

S i r,

I am directed to state that the Curator of the Government Book Depot has asked that the unsold copies of the Mysore Chief Court Law Reports (as per list enclosed) may be taken back. He adds that a dozen copies of each of the volumes have been retained to meet any casual demand and suggests that only 50 copies of each issue may be sent to him in future instead of 102 as at present.

2. The number of copies of the Reports printed is 300 of which nearly 200 are distributed to Courts and officers and the rest sent to the Book Depot for sale. The Judges of the Chief Court are informed that only 8 copies are subscribed for, and this is no matter for surprise seeing that the price charged is unduly high. If the annual subscription were fixed at Rs. 3/- which could more than cover the cost of production it is probable that the sales would greatly increase. As it is found that there is no demand for so many as 100 copies from the outside public only 250 copies will be printed hereafter and 50 copies sent to the Book Depot if Government approve of the same.

As

10

3 As regards the stock of unsold copies it will be very ~~inconvenient~~ inconvenient to keep them in this office. It is understood that in British India the Superintendents of the Government Press keep such stock. I am to request that the Superintendent of the Government Press may be instructed to take charge of the surplus stock or other orders passed as to their disposal as Government may think fit. The favour of early orders is requested.

I have the honor to be,

Sir,

Your most obedient servant,

Registrar.
